

Safe Catch Ahi Tuna Tower

Presentation is everything, but this recipe is more than just picture perfect. Its flavors are sweet, with a mild salty taste, and a nice blend of textures.

Ingredients:

- 1 Can Safe Catch Ahi Tuna
- 1/2 Avocado - diced
- 1 Mango - diced
- 1/2 Cucumber - diced
- 2T Lemon juice
- 1/2t crushed chili peppers
- Salt & pepper to taste
- Fresh mint for garnish

Directions:

1. Open can of Safe Catch Ahi Tuna. Do not drain. Flake with a fork until liquid is absorbed by the tuna.
2. Press about 1T of liquid from the can into a bowl for the sauce. Add lemon juice, crushed chili peppers, salt, and pepper. Whisk together.
3. To build the tower, use a 2" cookie cutter. Add a layer of avocado, then tuna, then mango, then cucumber.
4. Drizzle stack with sauce. "Smack" the fresh mint to release the aroma and garnish.

"If you don't like the road you're walking, start paving another one." — Dolly Parton
